NORTHMACE

Defining guest experience • Since 1942

HOTEL SAFETY KETTLES & COURTESY TRAYS

Northmace were the originators of the hotel safety kettle, and continue to design and manufacture kettles that exceed the expectations of both hoteliers and guests.

We offer a range that balances style and functionality. Our kettles are easy to use, durable and above all safe. What's more, they all come with long guarantees which provide complete peace of mind. This enables hoteliers to rest easy while their guests are enjoying a relaxing cup of tea or coffee!

At Northmace
we've been
revolutionising the
guest experience in
over 100 countries.
Since 1942.

HOTEL SAFETY WELCOME TRAYS

When Northmace invented the hotel safety welcome tray it transformed the guest experience. By bringing everything together in one convenient location, our welcome trays provide a safe and convenient solution for guests and hoteliers alike.

Our range provides this facility safely, reliably and hygienically, with each manufactured for durability and lasting good looks. They are all supported with long guarantees, a reassurance that we're sure you'll find most welcome!

HOTEL SAFETY IRONING CENTRES

Northmace invented the hotel bedroom safety ironing centre to improve guest experience. Our ironing centres are the original and best available – much copied, never bettered.

Safety irons, clothes steamers and ironing centres incorporate a range of features and are designed and manufactured to be safe, intuitive to use, and easy to store. And as with all of our products, they come with long guarantees for complete peace of mind. It's a neat and tidy solution for hoteliers that enables guests to smarten-up with ease!
